Bus Video Cameras

The Division believes the use of video cameras on school buses will enhance the safe operation of its school buses. Video cameras will enable school bus drivers to focus on the safe operation of the bus while improving student passenger identification procedures for disciplinary, medical emergency and other related purposes. Not all NWS D buses are equipped with video cameras, those that are, have signage at the front and back of the bus.

Attendance

If your child(ren) will be missing school, please let the office know or use the Edsby app. We can be reached by phone at 306-342-2114, or text 306-342-7144.

Student Pick Up/Drop Off

When dropping off and picking up your child(ren) before and after school, please park in front of the chain link fence or across the street from the fence to ensure the safety of all. Thank you for your understanding!

Parent/Guardian Volunteers

If you are wanting to volunteer for any sports or events throughout the school year you will be required to fill out a volunteer package and complete a criminal record check. Please stop by the office to pick up the volunteer package before getting your criminal record check.
